## QUESTIONS ABOUT BEHAVIORAL FUNCTION (QABF)

Rate how often the student demonstrates the behaviors in situations where they might occur. Be sure to rate how often each behavior occurs, not what you think a good answer would be.

Score    Number    Behavior      1.    Engages in the behavior to get attention.      2.    Engages in the behavior to escape work or learning situations.      3.    Engages in the behavior because he/she is in pain.      5.    Engages in the behavior to get access to items such as preferred toys, food, or beverages.      6.    Engages in the behavior because he/she is in pain.      7.    Engages in the behavior when asked to do something (get dressed, brush teeth, work, etc.      8.    Engages in the behavior when asked to do something (get dressed, brush teeth, work, etc.      9.    Engages in the behavior when you take something way from him/her.      11.    Engages in the behavior when you take something maway from him/her.      12.    Engages in the behavior when he/she is do something.      13.    Engages in the behavior when he/she does not want to do something.      14.    Engages in the behavior when there is something thim/her physically.      15.    Engages in the behavior to ty to get a reaction from you.      16.    Engages in the behavior when a peer has something thick/she wants.      19.    Engages in the behavior when a peer has something thick/she wants.      21.    Does he/she seem to to get averation from you.      17.    Engages in the behavior to ty to		X = Doe	sn't apply (	) = Never	1 = Rare	ly 2 – Some		3 = Often			
2.    Engages in the behavior to escape work or learning situations.      3.    Engages in the behavior as a form of "self-stimulation".      4.    Engages in the behavior because he/she is in pain.      5.    Engages in the behavior because he/she likes to be reprimanded.      7.    Engages in the behavior when asked to do something (get dressed, brush teeth, work, etc.      8.    Engages in the behavior when asked to do something (get dressed, brush teeth, work, etc.      9.    Engages in the behavior when you take something away from him/her.      11.    Engages in the behavior when you take something away from him/her.      12.    Engages in the behavior when he/she does not want to do something.      13.    Engages in the behavior when he/she does not want to do something.      14.    Engages in the behavior to try to get a reaction from you.      17.    Engages in the behavior to try to get a reaction from you.      18.    Engages in the behavior when a get people to leave him/her alone.      19.    Engages in the behavior when a get nas something that he/she wants.      10.    Engages in the behavior when a get nas something that he/she wants.      16.    Engages in the behavior when a get nas something that he/she wants.      18.    Engages in the behavior when a get nas something that he/she wants.	Score	Number	Behavior								
3.    Engages in the behavior as a form of "self-stimulation".      4.    Engages in the behavior because he/she is in pain.      5.    Engages in the behavior to get access to items such as preferred toys, food, or beverages.      6.    Engages in the behavior even if he/she thinks no one is in the room.      9.    Engages in the behavior even if he/she thinks no one is in the room.      9.    Engages in the behavior even if he/she thinks no one is in the room.      9.    Engages in the behavior when you take something away from him/her.      11.    Engages in the behavior when you take something away from him/her.      12.    Engages in the behavior when you take something away from him/her.      13.    Engages in the behavior when he/she does not want to do something.      14.    Engages in the behavior when there is something behaving him/her physically.      15.    Engages in the behavior to try to get a reaction from you.      17.    Engages in the behavior to try to get a reaction from you.      17.    Engages in the behavior when a peer has something that he/she wants.      18.
